

SAFETY DATA SHEET

For Chemical Emergency Spill, Leak, Fire Exposure or Accident
Call INFOTRAC Day or Night
North America: 800-535-5053

Section 1– Product And Company Information

Supplier's Name: Armchem International ,Corp
Supplier's Address: 3563 NW 53rd Court, Ft. Laud. FL 33309, Phone 954-735-0029
Product Name: WASH & WAX

DOT Proper Shipping/ Hazard Name (49 CFR 172.101): NR
DOT ID # (49 CFR 172.101): NR
DOT Hazard Class (49 CFR 172.101): NR

FLAMMABILITY (Red): NFPA: ND HMIS: 0
HEALTH (Blue): NFPA: ND HMIS: 1
REACTIVITY (Yellow): NFPA: ND HMIS:0
Personal Protection (HMIS)= D

Section 2 – Health Hazard Identification

Primary Route of Exposure: Eyes, and ingestion.

Effects of Acute Overexposure:

Skin: No adverse effects are expected.

Eyes: Can cause irritation, redness, tearing, and blurred vision.

Breathing: Inhalation of vapors is not anticipated to cause adverse effects.

Swallowing: Can cause gastrointestinal irritation, nausea, diarrhea, and vomiting.

Effects of Chronic Overexposure: None known.

Section 3– Components

<u>Component</u>	<u>CAS#</u>	<u>%</u>	<u>ACGIH(TLV-TWA)</u>	<u>OSHA (TWA)</u>
Sodium Lauryl Ether Sulfate (Alcohol ether sulfate)	32612-48-9	—	1000 ppm	1000 ppm
Cocamide DEA	68603-49-2	—	NE	NE
Silicone Emulsions Blend	Blend	—(Proprietary)	NE	NE

Section 4 - First Aid Measures

If On Skin: Thoroughly wash exposed area with soap and water remove contaminated clothing. Launder before reuse.

If In Eyes: Flush with water for 15 minutes, lifting upper and lower lids occasionally. Seek medical attention if irritation persists.

If Breathed: If affected, remove individual to fresh air.

If Swallowed: Do not induce vomiting. Give lemon juice and water to drink. Keep person warm, quiet and seek immediate medical attention.

Section 5 – Fire Fighting Measures

Flash Point: None

Flammable Limits in Air: Upper: NAP Lower: NAP

Extinguishing Media: Regular foam, carbon dioxide, dry chemical, for surrounding fire.

Hazardous Decomposition Products: Carbon and Nitrogen Oxides, and corrosive fumes.

Firefighting Procedures: Wear self-contained breathing apparatus with a full face piece operated in the positive pressure demand mode when fighting fires.

Special Fire and Explosion Hazards: None

Section 6 - Accidental Release Measures**Personal Precautions:**

For personal protection see section 8. Persons not wearing protective equipment should be excluded from the area of the spill until cleanup has been completed.

Environmental Precautions:

Prevent from entering drains, sewers, streams or other bodies of water. Prevent from spreading. If runoff occurs notify authorities as required.

Methods for Cleaning Up Spills:

Small Spill: Absorb spilled product with absorbent material such as sand. If possible, vacuum spilled product into container. Dispose as directed by local regulatory norms.

Large Spill: Stop spill at source. Absorb spill with non-combustible material or collect with vacuum pump. Provide adequate ventilation. Call authorities for assistance on disposal.

Disposal should be made in accordance with federal, state, and local regulations.

Section 7 – Storage & Handling

KEEP OUT OF REACH OF CHILDREN For industrial and institutional use only.

For industrial and institutional use only. Store in a cool, dry, ventilated area away from heat or open flame. Never store at temperatures in excess of 120 °F.

Always store in original container. Follow all label instructions and precautions

Section 8 - Exposure Control / Personal Protection

Respiratory Protection: If workplace exposure limits product or any component is exceeded a NIOSH/MSHA approved air supplied respirator is advised in absence of proper environmental control. OSHA regulations also permit other NIOSH/MSHA respirators (negative pressure types) under specified conditions. Engineering or administrative controls should be implemented to reduce exposure.

Ventilation: Provide sufficient mechanical ventilation to maintain exposure below TLV.

Protective Gloves: Rubber, neoprene or other resistant elastomer.

Eye Protection: Chemical splash resistant goggles or face shield.

Other Protective Clothing & Equipment: Rubber aprons and boots when working with large quantities.

Section 9-Physical And Chemical Properties

Boiling Point: 212 °F

Vapor Pressure: ND

Solubility in Water: Total

% Volatile: 65-75%

Specific Gravity (H₂O = 1): 1.02 - 1.04 gr/cc (at 20 °C)

Vapor Density: (Air = 1): NA

Appearance: Hazy yellow liquid of high viscosity. No specific odor.

pH: 9.0-10.0

Section 10 – Stability And Reactivity Information

Stability: Stable

Incompatibility (Materials to Avoid): Oxidizing Materials. Acids.

Hazardous Polymerization: Will not occur

Conditions To Avoid: None.

Section 11 - Toxicological Information

Oral Toxicity: No data

Inhalation Toxicity: No data

Dermal Toxicity: No data

Irritancy of Product: This product is irritating to the skin, eyes, respiratory, and digestive tract.

Section 12 - Ecological Information

Toxicity: This material is not expected to be toxic to aquatic life.

Persistence and Degradability: Possibly hazardous short term degradation products are not likely. This product degrades quickly.

Bio-accumulative Potential: This material is not expected to significantly bioaccumulate.

Other Adverse Effects: The products of degradation are less toxic than the product itself.

Section 13 - Disposal Considerations

Waste Disposal Method:

Disposal should be made in accordance with federal, state, and local regulations.

Section 14 - Transport Information

DOT Proper Shipping/ Hazard Name (49 CFR 172.101): NR

DOT ID # (49 CFR 172.101): NR

DOT Hazard Class (49 CFR 172.101): NR

Marine Pollutant: NR

International Air Transport Association Shipping Information (IATA): NR

International Maritime Organization Shipping Information (IMO): NR

Section 15 - Regulatory Information

FLAMMABILITY (Red): NFPA: ND HMIS: 0

HEALTH (Blue): NFPA: ND HMIS: 1

REACTIVITY (Yellow): NFPA: ND HMIS:0

Personal Protection (HMIS)= D

Section 16 – Special Precautions Or Other Comments

Wash hands with soap and water after use. Avoid contact with open wounds.
