

# GERMSTAR®

## Instant Hand Sanitizer

**Description:** Germstar® is a 70% Isopropyl alcohol-based instant hand sanitizer. This alcohol base is recognized by the Center for Disease Control as the most effective ingredient killing 99.99% of all transient bacteria, viruses, & fungi on contact. The sanitizer is also in the form of a liquid rinse, and leaves no sticky residue, as gel sanitizers often do (which can also cause dryness of skin, and diminishes germ killing impact).

**Directions:** Place hands under dispenser to get product on hands. If pump bottle is being used, pump once to dispense a dose of the product. Rub hands together, spreading sanitizer to all needed areas. Allow to dry - do not rinse.

**Benefits-Features:** KILLS E-COLI, HEPATITIS A & C, MRSA BACTERIA, NORWALK VIRUS, STAPH INFECTIONS, HIV, SALMONELLA, AND MORE • FRESH MINT SCENT

**Advantages:** CONTAINS EMOLLIENTS TO MOISTURIZE AND SOFTEN SKIN • WILL NOT LEAVE STICKY RESIDUE • RINSE FREE - NO WATER NEEDED • 70% ISOPROPYL ALCOHOL KILLS 99.99% OF TRANSIENT BACTERIA, FUNGI, AND VIRUSES ON CONTACT

**Where to Use:** Germstar® is perfect in any situation where hand sanitizing is needed but hot water and soap is not available

**Recommended For:** HOSPITALS • SCHOOLS • CORRECTIONAL FACILITIES • MUNICIPALITIES • INDUSTRIAL/COMMERCIAL • NURSING HOMES • DAY CARE CENTERS • PUBLIC FACILITIES • INSTITUTIONS • TRANSPORTATION • VETERINARY OFFICES
