

WASH & WAX

Description: ARMICHEM WASH & WAX is a perfect all-in-one solution for your car washing needs. There is no need for a coat of wax after the wash is done - simply buff the dry surface to a bright, glossy, and long-lasting finish. WASH & WAX is a concentrated formula that can be diluted to fit a variety of soil levels.

Directions: For normally soiled trucks or cars use 3 to 6 ounces of product per gallon of water. Heavily soiled vehicles may require higher concentration. Do not wash the vehicle in direct sunlight. Rinse cleaned surfaces with cold water and chamois dry. Buff the finish to high gloss with a clean, soft cloth.
