

# LEMON GUARD II

## NEUTRAL DISINFECTANT & GERMICIDAL CLEANER

**Description:** A pH neutral, quaternary-based disinfectant cleaner for use on a wide variety of surfaces to aid in the reduction of cross-contamination. This one-step cleaner and disinfectant is **effective against human coronavirus**, a broad spectrum of bacteria including VRE & MRSA, and demonstrates efficacy as a virucide, fungicide, and mildewstat. Extensive testing in accordance with AOAC shows this product to be a hospital grade disinfectant. Effective in 250/ 400 ppm hardwater and effective in the presence of 5% serum contamination.

**Directions:** Add 2 oz. per gallon of water to disinfect hard, non-porous surfaces. For heavy duty use add 8 oz. per gallon of water to disinfect hard, non-porous surfaces. Treated surfaces must remain wet for 2 minutes for disinfection against all viruses claimed. See product label.
