

# ARMOUR PLATE

## High Gloss Tire Dressing

**Description:** ARMOUR PLATE is a product designed to provide a long lasting, deep protective coating and shine on tires. This product contains no solvents. Its unique pleasantly scented, water based formula prevents drying, cracking, and fading. This product can be used on rubber, plastic bumpers, moldings, and mud flaps.

**Directions:** SHAKE WELL BEFORE USING. For best results always clean and rinse tires prior to application. Tires do not have to be dry. Lightly mist on tire sidewall, making sure to cover the entire surface. Any drips or runs will eventually disappear, leaving a brilliant shine. Wiping is not necessary.

**Benefits-Features:** EASY TO USE • DOES NOT HAVE TO BE USED AS OFTEN • PREVENTS DRYING, CRACKING, FADING • SPRAYS ON • BONDS TO SURFACE • SAFE TO USE

**Advantages:** NO WIPING NECESSARY • PROVIDES DEEP BLACK PROTECTIVE COATING • CONTAINS NO SOLVENTS

**Where to Use:** TIRES • AUTOS • BUMPERS • GOLF CARTS • ALL LEATHERS

**Recommended For:** COUNTRY CLUBS • FLEET MAINTENANCE • BUS COMPANIES • TRANSPORTATION • TRUCK COMPANIES • MUNICIPALITIES
